From Meredith Books : Country Home: An Old Fashioned Christmas before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Home: An Old Fashioned Christmas:

0 of 0 people found the following review helpful. Nicely done with many historical looks at how xmas evolved ...By eve gavelNicely done with many historical looks at how xmas evolved to what it is today tradition wise enjoyable nice pictures.0 of 0 people found the following review helpful. Country Home: An Old Fashioned ChristmasBy Sandra MillerI like reading older books about country decorating - especially Christmas books. I ordered this one to add to my collection.0 of 0 people found the following review helpful. Four StarsBy NY readerA nice addition to my Christmas reading.

For country enthusiasts who share traditional values and interests, this book captivates readers with the history and diversity of Christmas collectibles, centuries-old customs, legends and traditions that add joy and meaning to the season. Readers meet eight families from across the country who share their homes and their holiday celebrations. 174 color photos; 108 illustrations.
