Douglas Congdon-Martin : Country Store Antiques: From Cradles to Caskets before purchasing it in order to gauge whether or not it would be worth my time, and all praised Country Store Antiques: From Cradles to Caskets:

0 of 0 people found the following review helpful. Five Stars By Lois It was just what I wanted, 5 Stars! 0 of 0 people found the following review helpful. Five Stars By Sandy Swanson OUTSTANDING PHOTOGRAPHS.... INTERESTING.... INFORMATIVE..... EXCELLENT

Despite the critical and popular success of the author's first volume, Country Store Collectibles, it was clear there were many more country store antiques than could be covered in one book. In this completely new volume are hundreds of items, gathered from some of the best collections in the country, and presented in beautiful full color. Also included are period photos of actual country and general stores that have never been published before. Concise captions and an accurate price guide make the book invaluable to collectors. The images themselves will awaken memories in those

who spent their younger years in such places, and give a new appreciation to those who did not have the opportunity. This wonderful new book will be a welcome addition to the libraries of collectors and historians alike.

About the Author Douglas Congdon-Martin is the author of several books in the area of antique advertising and country store collectibles.
