From Brand: Browntrout Publishers : Cowboy Boots Postcard Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Cowboy Boots Postcard Book:

Post Card Cowboy Boots (Jim Arndt) By John W. Hall Anyone who has more than a passing interest in cowboy boots will have seen Tyler Beard's books: The Cowboy Boot Book and The Art of the Boot. Beard writes a fascinating story about the history and culture of boots, but the color photographs of the boots by photographer Jim Arndt really MAKE these books. Now it is possible to get a collection of Arndt's boot photographs in a handy-dandy paperback book of post card sized photographs. They are drop-dead gorgeous by a great photographer who also loves boots. Of course the individual post card photographs can be detached to send to special people, but I'd recommend getting two copies. Some to send and a copy to keep! Buy this book, but try not to lick the pages!

A book of 21 Glossy Postcards - with pictures of various painted cowboy boots. Ready for collecting or mailing.
