Michael Friedman : Cowboy Culture: The Last Frontier of American Antiques before purchasing it in order to gage whether or not it would be worth my time, and all praised Cowboy Culture: The Last Frontier of American Antiques:

0 of 0 people found the following review helpful. greatBy Shelley Ann Canogreat gift for my grandfather. he loved it and said it was a homerun. he liked it so much he could not put it down. condition was great and arrived quickly. price was great too.3 of 3 people found the following review helpful. The Best book on western collectibles by far!!!By A CustomerIf you're into the antiques of the Old West, this is the one book to have. It's beautiful and comprehensive.WORTH EVERY PENNY. Highest recommendation.1 of 1 people found the following review helpful. The bible on cowboy antiques and collectablesBy A CustomerThis five pound coffee-table book is clearly the best ever done on the subject. Tons of beautiful color photos and lots of information on just about anything relating to the Old West. Spurs, saddles, guns, saloons and much more. Well worth the price.

The American cowboy's unique life-style inspired tools, clothing, amusements, advertising, and more which are avidly sought by collectors today. They are presented here with over 1000 color photographs identified in text and captions. Each section of this beautiful new second edition is more complete and has better examples than earlier books devoted to each subject. In Cowboy Culture, these items are inspected in their many variations. Here are exquisite spurs, saddles, gambling tools, photography, guns, holsters, bits, chaps, gloves, boots, hats, badges, and knives. Objects

related to Wild West shows-which popularized the myths and accomplishments of cowboys to town dwellers who fantasized life on the open range-are also included. That same fantasy endures to this day as people all over the world who today dream of being a "cowboy."
