Judy Crandall : Cowgirls: Early Images and Collectibles: With Price Guide (Schiffer Book for Collectors Historians) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cowgirls: Early Images and Collectibles: With Price Guide (Schiffer Book for Collectors Historians):

0 of 0 people found the following review helpful. Binding UngluingBy Mary W.Just received this book and the binding is about 80% un-glued. Poor quality and Very disappointed. The content of the book is excellent... I have the First Edition.I have no idea if it is worth sending back... or how to even go about doing so. :(3 of 3 people found the following review helpful. Wah Hoo!By Jill C. StanfordAs the author of "The Cowgirl's Cookbook", (available on) I tip my Stetson to the author of this informative and interesting book. I recommend it to anyone who wants to know

more about the amazing women who rode broncs to the whistle before they got the vote.1 of 1 people found the following review helpful. Wonderful, Beautiful, Descriptive book!By Lucky Star RanchThis book was a joy. I go back and look and dream all the time. It is so informative and the pictures are a wonderful historic review. I recommend it HIGHLY!

The saga of the American cowgirl, unlike that of the cowboy, is not well-chronicled, but their history is as appealing as it is colorful. The First Ladies from the Great American West live again in this comprehensive pictorial chronicle. Many of the photos are printed here for the first time. Detailed captions provide the reader with rodeo lore, as well as biographical accomplishments of these extraordinary women never before presented in a cohesive format. A true reference work, *Cowgirls: Early Images and Collectibles* includes three dimensional collectibles along with hundreds of original photos which pay tribute to these dedicated, gallant women. This volume is a joy for the serious Western/Americana collector, and fascinating to anyone interested in women's history.

About the AuthorJudy Crandall has been involved with collecting artifacts of the Old West for over 30 years. She is listed in *Who's Who in American Art* and *Who's Who in American Women*. Judy and Jerry Crandall make their home in a Rocky Mountain log home in the beautiful Bitterroot Mountains of Montana.
