From Steve Jackson Games : Cowpoker before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cowpoker:

0 of 0 people found the following review helpful. Lots of fun By Aaron M. A little hard to get the hang of, but I like that it has a way for you to play with as few as two people. Another great work from SJG!

From James Ernest and Mike Selinker comes a fast-playing card game of cattle rustling and shootouts, Wild West-style: Cowpoker. Two to four players become ranchers, rustling each others' cattle and hiring away each others' cowpokes. Recruit the wacky characters into your Ranch for points and bonuses, and collect them in tricks from the roundups and shootouts. Once all the cards are taken, make poker hands to score additional points! Every card can be used at least two different ways, so there's strategy as well as luck. Each full-color card is illustrated by Greg Hyland, the artist of Burn in Hell and Munchkin Fu. Cowpoker the card game that's a rootin' tootin' good time until the cows come home. Yeehaw!
