From Brand: Sterling : Crasswords: Dirty Crosswords for Cunning Linguists before purchasing it in order to gage whether or not it would be worth my time, and all praised Crasswords: Dirty Crosswords for Cunning Linguists:

0 of 0 people found the following review helpful. Five StarsBy Customerjust what I needed.4 of 4 people found the following review helpful. Fairly silly Crossword bookBy GreenmansionsYes, it does have some dirty words in it, but the overall quality of the puzzles isn't that good. Just extremely so-so fill.3 of 4 people found the following review helpful. Fun idea but not a hitBy James BradleyI bought this because my partner does crosswords often--and I sometimes "help"--and I thought a raunchy one would be fun. There is nothing wrong with the book but the gift was not a success. The problem is that the tone and style of the clues is so different from the New York Times that it feels like something new and hard rather than like something she enjoys for diversion. Someone else might react differently.If you don't have a crossword habit, and you like dirty words, I reckon you'll have a lot of fun with it.

You wont find any of these crosswords in your local paper. This compendium of puzzles filled with x-rated innuendo

and unadulterated wordplay effectively demonstrates that not all brain baffleers have to be filled with boring facts and figures to be thoroughly diverting. Adults with a racy sense of humor will love its irreverent, off-the-wall themes and entries. Try this clue: They solicit from door to door. Answer: Avon. In addition to the crass words, the book contains three cryptic crosswords full of devious wordplay and gratuitous filth. These top-notch creations with below-the-belt sensibilities will make a great novelty or gag gift, too.
