This is the one!By Deb B.My 8 yr old granddaughter who likes crossword puzzles said she loves this. She said some of it is difficult but it's still great. Her mom said it's one of the best gifts she received.

Easy to take along and fun to do this crossword puzzle book is for readers aged 6-10. Children can enjoy working out the answers to the 68 puzzles and, at the same time, practise spelling both new and familiar words. Most of the black and white pictures can be colored in as well.
