Wayne Robert Williams : Cryptic Crossword Puzzles Volume Four by Wayne Robert Williams (2013-12-28)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cryptic Crossword Puzzles Volume Four by Wayne Robert Williams (2013-12-28):

0 of 0 people found the following review helpful. while good, provides no examples
By Kat
These cryptic crossword puzzles are enjoyable, and mostly, not too difficult. Occasionally the author uses very obscure words so that solving them is almost impossible. The overview for solving cryptic crosswords in the preface, while good, provides no examples. For those new to cryptics, this is a disadvantage. Although I liked this book, the author reuses the same or similar words across his puzzle books, and often within the same book.
0 of 0 people found the following review helpful. Good Cryptic puzzles for anywhere in the English speaking world
By RDRR
Good puzzles that make sense. We really enjoy doing cryptic puzzles but so many are slanted and you need to know British slang and British people. These are just good word games that solve using real words, not idioms, slang, dialect, or whatever. we will be buying more from Wayne Robert Williams when we finish this book.
