From Wayne Robert Williams : Cryptic Crossword Puzzles Volume Six (Paperback)--by Wayne Robert Williams [2014 Edition] before purchasing it in order to gage whether or not it would be worth my time, and all praised Cryptic Crossword Puzzles Volume Six (Paperback)--by Wayne Robert Williams [2014 Edition]:

1 of 1 people found the following review helpful. Challenging enough, but NOT tooBy Marg-GramI have been doing Mr. Williams cryptic crosswords for a few years and always enjoy them. They are somewhat of a challenge without being extra-frustrating by using British terms with which I am not familiar as in some of the other authors' puzzles. His are hard enough that I may have to put the book aside for a while and then come back to finish a puzzle. Also they follow the guidelines of the different forms possible that are given in the opening pages. With some of the other authors' puzzles it is difficult to see how they fit in those guidelines even after you see the answer.0 of 0 people found the following review helpful. Five StarsBy ChristopherMr. Williams is proving himself to be one of the masters of the American cryptic puzzle format.2 of 2 people found the following review helpful. Good funBy Allen MetrickWayne Robert Williams puzzles just entertain . Unlike England's puzzle which seem to have a language all their own.
