What I love about it is the Englishness of the clues. Living in America I really miss England and sometimes the clues bring back happy memories.0 of 0 people found the following review helpful. Great for AnglophilesBy Jacqueline HaywardThe best, most challenging crosswords. They keep my brain young. I think they may not be so good for Americans, though, since there is so much Brit stuff in it. I'm a Brit.0 of 0 people found the following review helpful. Nice large collection of puzzlesBy Lea WhitneyNice large collection of puzzles. Some puzzles were a bit too easy and some clues repeated often. Most were fun.
