Deborah Sevilla : Dance Competition Journal (Dream Believe Achieve Athletics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dance Competition Journal (Dream Believe Achieve Athletics):

Dream Believe Achieve Athletics Dance Competition Journal is a must have for competitive dancers of all ages. After

many hours of hard work learning choreography and dance technique over so many weeks of practices and rehearsals at the studio, every dancer finally performs onstage for judges, and then in a flash, it's over. The season is a whirlwind. Even hundreds of pictures are not able to capture the full experience. Close to every dancer's heart, are the personal hopes, dreams, the exhilaration of milestones reached and the desire to cherish priceless moments experienced at each competition. This dance competition journal is the perfect way to record more than just scores. Dancers can capture goals, observations, achievements, as well as information such as music and costumes, for each and every competition throughout the dance season. An ideal gift for competitive dancers -- a wonderful way to track their progress over time and to share their special dance moments with supportive family and friends who will also appreciate being able to look back at these memories.
