Jacqueline M. Smith-Autard : Dance Composition: A Practical Guide to Creative Success in Dance Making before purchasing it in order to gage whether or not it would be worth my time, and all praised Dance Composition: A Practical Guide to Creative Success in Dance Making:

2 of 4 people found the following review helpful. It really is a guide to creative success
By Jennilee Garcia-green
This book is great! From the first page down it helps you out in easy to follow guides. As you read it you are already getting different ideas for your choreography. It gives you graphics, pictures, info from the simplest thing to the most complex(music, solo, group, idea, etc). Must read for any choreographer out there!

First Published in 2005. Routledge is an imprint of Taylor Francis, an informa company.

About the Author
An internationally recognized dance educator, Jacqueline M. Smith-Autard is currently pioneering the use of multi-media resources in dance teaching. She has also published *The Art of Dance in Education*.
