Lesley Kinney : Dance, Dancers and the Performance Cohort in the Old Kingdom (BAR International Series)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dance, Dancers and the
Performance Cohort in the Old Kingdom (BAR International Series):

The purpose of this volume is to reveal as much information as possible on the nature of dance in Old Kingdom Egypt.

Evidence from tomb paintings is plentiful, and Kinney is able to identify several styles of dance and draw conclusions as to their function and context.
