1 of 1 people found the following review helpful. Love this coloring bookBy Danielle HLove this coloring book! I am a dance teacher and purchased a book for each of my assistants as gifts! They loved them as well! Beautiful!!1 of 1 people found the following review helpful. Coloring not for kids anymoreBy Robin L LeadWho knew I would love to color at the age of 55! The artistry in Dance Dreams is beautiful. Opposite each picture is a saying that is the inspiration for the artist and you can feel the message she sends. Even if you don't color, buy it just for the inspiration.1 of 1 people found the following review helpful. Nice pictures.By Jennifer BeattyReally lovely book. Nice

pictures.

Artist Kristine Izak, who is also a dance instructor and choreographer, brings her life's passion to the movement of line and texture in these designs representing Ballet, Contemporary, Lyrical and Jazz dance. Volume 1 is inspired by the elements of the natural world - Earth, Air, Water and Fire. Many of the designs are based on actual paintings by the artist. This book includes 22 one-sided coloring pages and blank pages to tear out and place under the page you are coloring. Colored pencils or crayons are recommended. Visit the official website www.DanceDreamsInColor.com, and join the Facebook Colorist page, Dance Dreams In Color. Both sites offer free downloads and updates on new publications.

About the Author Artist Kristine Izak celebrates both her passion for dance and art in this first volume of coloring designs. Kristine is a professional dance instructor and choreographer, besides owning her own graphic design and mural painting business. You can see more of her art and the paintings that inspired these designs at www.KristineIzak.com.
