**Taylor Day Publishing : Dance Journal: Believe in Yourself** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dance Journal: Believe in Yourself:

Dance journals are a helpful tool for either the beginner or advanced dancer. Writing will allow you to concentrate on your progress; reflect on your technical abilities; keep track of corrections, combinations, and choreography; and note

your personal objectives and areas that need improvement. This journal, with plenty of writing room for an entire year of weekly classes, has fully lined pages with fill-in-the-blanks for date, class level, and teacher; as well as blank pages for notes, sketches, combinations, choreography, and those amazing 'A-Ha' moments. Peppared throughout are inspirational dance quotations. Discounted prices available for retailers and teachers.
