**From Workman Publishing Company : Dancers Among Us Wall Calendar 2016** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dancers Among Us Wall Calendar 2016:

0 of 0 people found the following review helpful. Beautiful! By Jessica N The calendar is physically of great quality with beautiful, not-too glossy pages that hold together the whole year (my last DAU calendar did) and each picture is enjoyable enough to look at for more than even a whole month. 0 of 0 people found the following review helpful. My daughter has loved dance since she was a little girl! By GPMM My daughter has loved dance since she was a little girl. This calendar brings the joy of dance to everyday life, and she loves the pictures and the happiness they bring to her as she looks at them every month. 0 of 0 people found the following review helpful. Dancers Among Us is perfection! By Rob DuHadway We own a dance studio and these calendars light up our rooms. They lead to pertinent discussions with our dancers and are wonderful to look at each day.

Its a celebration of pure joy: two dancers in a fountain, rainbow over their heads. A fully dressed dancer, holding a baguette, skipping down an alle of trees. A male and female dancer kissing while suspended from a wrought-iron gate in front of a vine-covered villa. Adapted from the New York Times bestseller, Dancers Among Us features professional dancers in the midst of the everyday, in breathtaking photographs that free your imagination (Diane Sawyer, ABC World News). Theres no photo manipulation here, no trampolines, no gimmicks, no tricks. Just the mystery of the body in motion, the surprise of seeing what seems impossible, the art of a moment of life captured.

About the Author Jordan Matter is a portrait photographer whose work has been featured on Today, CBS, NBC, and the BBC, in The Daily News, Time Out New York, the Huffington Post, and Slate, and on blogs and newspapers around the country and the world. Mr. Matter lives with his wife and two young children in New York.
