Prima Games : Dark Cloud 2 (Prima's Official Strategy Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Cloud 2 (Prima's Official Strategy Guide):

0 of 0 people found the following review helpful. Good strategy book.By Alex HoustonThe book is excellent in some ways showing some great tips and stuff to do in the game. Though they are a few errors and stuff missing from the book by the person who created it. That part got me a bit tick off.0 of 0 people found the following review helpful. Not the best sellerBy Joshua BakerThere were sticky notes all over the the pages up to page 20 and when they were taken off because they shouldn't have been there caused pages to stick together.... I had to put dividers in between these pages so the sticky residue would dry and leave it for several days before I could use it to prevent damage0 of 0 people found the following review helpful. Five StarsBy AdamBook arrived as advertised within the allotted delivery time.
