I loved Darkstalkers2 of 2 people found the following review helpful. Satisfying but not overwhelmingBy JuanNot my favorite Udon book,it does have some impressive art hence forth the three stars, but other art were almost as if they got third grade artis and piled it all together. not to mention the quality (i know udon's issues with their fragile spine copilies) at first looked amazing but after a few days i already had a teared on the back and some of the pages are getting lose.they need to improve this!

**NEW HARDCOVER EDITION!** Darkstalkers, Capcom's horror/anime fight-fest video game property, is a fan-favorite among gamers worldwide. Now illustrators, animators, comic artists, manga creators, pros and fans alike have come together to produce nearly 300 pages of all-new artwork celebrating the Darkstalkers franchise. This video game art gallery is packed with beastly creatures, sexy temptresses, and a hefty helping of inspiration, energy, and excitement!
