The stories are adorable and relatable. The prints are perfect for framing and look great on the wall. One note - prints are 7 x 7" and I couldn't find stock frames to fit. Getting custom frames were a bit more but worth it. 0 of 0 people found the following review helpful. Good for adults and children By Customer I bought this for my 4 y/o daughter. She enjoys Star Wars, and these books. The art work is in a children format, and even though a good bit of the puns are lost on children this young (she doesn't understand some of the "in the know" jokes) I thoroughly enjoy reading these to her and she sits through both laughing with me. 0
