Robin Muir, David Bailey : David Bailey: Chasing Rainbows before purchasing it in order to gage whether or not it would be worth my time, and all praised David Bailey: Chasing Rainbows:

0 of 0 people found the following review helpful. It's his Eighties WorkBy Filipe N. MarquesDavid Bailey is most noted for his 60's work and I was interested to see what his work was like in the eighties. Some of the work was pretty cool. The rest was so so. Grainy, pastel-y shots that were styled over the top (imagine a lot of Grace Jones style clothes in bright colors).I really wanted to love this book. Unless you find this book at a bargain, I'd say pass on it.0 of 0 people found the following review helpful. Camera artistry that captures a memory of the momentBy Midwest Book ReviewDavid Bailey, who is probably Britain's best known photographer, especially for his "beauty" photographs of the world's most famous models. David Bailey: Chasing Rainbows is an impressive and memorable photographic compilation with over 150 color illustrations, showcasing Bailey's life's work from the 1960s to the present. Amazing, bold camera artistry that captures a memory of the moment abounds in this stunning, visual album.

Commissioned by the best-known fashion magazines of the time, including Italian and French Vogue, these portraits of what Vogue once called 'The Bailey Kind of Girl' include models such as Jean Shrimpton, Marie Helvin, Penelope Tree, and Bailey's wife, Catherine Dyer. Blended with these are Bailey's startling ethnographic portraits of, for example, Asaro mud men and Indian dancers, and his own paintings, at the heart of which lies an abstract kind of beauty. In his illuminating introduction, Robin Muir sets these photographs in the context of the period in which they were taken and reminds us that for over forty years Bailey has challenged our notions of female beauty with his own highly personal vision.

About the Author David Bailey is one of the world's best-known photographers. His previous books include *David Bailey: If We Shadows*, *David Bailey's Rock and Roll Heroes* and *David Bailey / Archive One*. Robin Muir is a writer and curator and a former Picture Editor of *British Vogue* and the *Sunday Times Magazine*.
