David Gandy Fan Loves This BookBy Romance Novel CustomerI have never paid this much for a book, but I feel it was worth the investment. The book is HUGE and the images are BEAUTIFUL. If you are a fan of David Gandy, Mariano Vivanco or just appreciate the beauty of the male form, you will enjoy this book.

David Gandy is both an icon and muse for DolceGabbana the Italian designers masculine ideal. Originally from suburban London and a self-professed car fanatic, he got into modeling by chance through a contest. Since then, he has taken the fashion world by storm, working with top photographers and stylists. This photographic homage traces Gandys career from early photo shoots to the acclaimed advertising campaign for the DolceGabbana fragrance Light Blue, which captured the worlds imagination and transformed him into a global icon of virility, sex appeal, and charm. The Light Blue campaign alone garnered over eleven million online hits, and his image has been featured in a fifty-foot poster towering over Times Square in New York. This book includes photographs by Mario Testino, Steven Klein, Giampaolo Sgura, and Mariano Vivanco, among others.
