BradyGames : Dead Island Official Strategy Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dead Island Official Strategy Guide:

4 of 4 people found the following review helpful. Excellent Guide, By Low Yuan Huat It's thanks to this guide that I have logged over 80 hours of gameplay. Right now I am so close to the Platinum Trophy that I can taste it! Keep in mind the fact that I had never played Oblivion or any RPG style game before this, but thanks to this guide, I learned a lot about how these types of games can work. I understand that the instruction manual included with the game also offers information to new players, but I felt this guide sort of stuck with me and put it in English better than the manual. I have seen guides for games that make me wonder why there was even a guide released in the first place, but I really appreciated this guide for the way it was written and for its simplicity. Thank you for reading! 0 of 0 people found the following review helpful. Four Stars By alexis diazi went after the guide to find all the weapons upgrades 1 of 1 people found the following review helpful. Dead Island Strategy Guide By Rick Platt Good Book to have to help out

along the way through the game before, during, and after gameplay. I bought it just for that reason alone, it reminded me of the G.T.A. games and i did not have the book for that, so i bought this after i had been palying the game for over 8 hrs, and realized that there was alot more to do than i thought. I would recommend this to any gamer who wants a little help/advantage in this game.

BradyGames Dead Island Official Strategy Guide includes the following: AN ISLAND OF BEAUTY. A WORLD IN CHAOS.
