Bryan Dawson : Dead or Alive 5: Prima Official Game Guide (Prima Official Game Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dead or Alive 5: Prima Official Game Guide (Prima Official Game Guides):

1 of 1 people found the following review helpful. Informative and helpful, but may be irrelevant once DoA5 Ultimate is released
By T-Lee
Description: For those interested in Dead or Alive 5 or who would want to get better at it, buy this guide as it has what you need. It has character info, how to play them, unlockables for costumes, achievement/trophies, etc., frame data for experienced players, a detailed move list, some character art, and a QA with the director of the game all neatly organized, except that the costume unlock and achievement/trophy guide have the

wrong page number on the table of contents. It even comes with a poster calendar of the DoA franchise's poster girl, Kasumi, in a pink bikini. Performance: As a dude who is interested in the franchise and is willing to improve online, the guide had all that I needed and much more. It was detailed and done professionally and thanks to the guide, I was able to gain some insight on my main, Kokoro. Overall: This guide is really good and if you're interested in Dead or Alive 5 right now, then get it, although heed my warning: It will become irrelevant for Dead or Alive 5 Ultimate as the developer plans on editing the game play to the update a little bit, so buy if you want to get your feet wet into the series. Grade: A-3 of 3 people found the following review helpful. DOA5 Prima Guide By Justy As a gamer who enjoys technicalities in fighting games, I must say reading frame data is quite enjoyable. Yeah, enjoyable. I find the game more rewarding understanding the basic fundamentals for the characters of my choosing. This guide provides tips, tricks and a bit of strategy for every character. If anyone who wants to learn how to punish random button mashers, I'd recommend picking this up for some rewarding giggles! 0 of 0 people found the following review helpful. Great price, great guide. Why not? By C. D. A The definitive guide. Supplement this guide with the EMPORERCOW tutorials on youtube and you'll be a beast in no time if you apply yourself. This game isn't easy and this guide makes it a lot better.

Dead or Alive 5 Prima Official Game Guide includes: Full move lists, combos, and strategy for each character Breakdown of the Triangle system; where strikes beat throws, throws beat holds, and holds beat strikes Details on all power blows, the new move type introduced in Dead or Alive 5 Stages are broken down in detail, explaining the dangers of each one and how to take advantage of the terrain This guide covers the following platforms: Xbox360 and PS3
