**BradyGames : Dead Rising 3 Official Strategy Guide (Official Strategy Guides (Bradygames))** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dead Rising 3 Official Strategy Guide (Official Strategy Guides (Bradygames)):

8 of 8 people found the following review helpful. Reasonably detailed By Laura Proctor Lists all the item pickups and whatnot as expected. Could use more detail about managing posse/followers. Good descriptions of how to use some of the obscure items... Such as the helicopter. IPAD version of the kindle book is a bit hard to read as it will not blow up to full screen. Anyone with less than a full size iPad will likely have difficulty reading it. Not sure about the native kindle, 3 of 3 people found the following review helpful. Standard strategy guide but not that functional on Kindle By Invisibella I wish I had bought this in hard copy. Because I discovered the companion app shortly after buying this for my Kindle HD, the times when I want to use the guide the most, I can't because I have the app running. Add to it that

the zooming for text doesn't work as described (the entire page will pop out and I can move/zoom on it). The guide itself is a typical Brady Games guide. Useful enough. I was hoping for help on using the voice commands, but there was none. I still have no idea how to taunt or use voice to control survivors. (Oddly, the smallest sound will unpause the game... bad for a timed game that decides to unpause while you're on a biobreak because the sound of your husband closing the garage door sounds so much like the word 'Resume' to the Xbox One.) Given the choice again, I'd buy the hardcopy version. 2 of 2 people found the following review helpful. Dead Rising 3 strategy guide, good but could've been better. By quackslayer If you love this game you will LIKE this strategy guide. The reason I saw that is because although there is a lot of info in it, it doesn't specifically list the weapon blueprint locations, it will get you into the right area of the map but won't lead you the rest of the way. You are better off going online to find the exact location. That being said, it's still a good guide full of info about the game, just not specific enough for me.

Los Perdidos - Escape or Die! A decade after the infamous zombie outbreak in Fortune City, the unthinkable has happened again. Los Perdidos, one of California's largest cities, is crawling with zombies. Nick Ramos, a resourceful mechanic, must join a motley band of fellow survivors to escape before an impending military strike annihilates the city and everyone in it. Discover the most effective and cunning ways to survive, distract, and combat the zombie horde with the comprehensive coverage in this guide. 100% Story Walkthrough - We lead you step-by-step through the entire game. Complete every Chapter Mission and Side Mission, saving Stranded Survivors and adding to Nick's posse along the way. Detailed Maps of Los Perdidos - Navigate the massive city of Los Perdidos and find all of the 200+ collectibles. We provide the location of every Blueprint, Book, Limited Edition Frank West Statue, Tragic Ending, ZDC Speaker, and more! The City Directory also displays every shop, restaurant, and store in each district. Combine and Conquer Weapons Galore - Our extensive Weapons Locker chapter includes every base weapon, combo weapon, and super combo weapon in the game. Learn recipe combinations and the brutal details for every item in Nick's makeshift arsenal. Earn Prestige Points in Style - Maximize Prestige Points using the strategies in this guide and level up Nick. Learn the best ways to win gold in the 25 Survival Training events, and conquer all 59 PP Trials! Plus! - Enemies - Vehicles - Clothes - Food - SmartGlass Tips - Achievements
