Its a complete detailed walkthrough 3. Details all the main characters 4. Details all the Weapons and the best way to Use/upgrade them 5. Maps of all areas 6. Clearly written with good english 7. And general tactics for surviving through this deep space ordeal! Thank you again Prima for a great helpfull book 0 of 0 people found the following review helpful. Good guide, but not perfect. By George The strategy guide is

helpful. It helps with how to upgrade your gear and helps with some of the more trickier puzzles. The maps are informative. My one gripe is that they don't show where the free Power nodes are on the map (the strategy part does describe where they are though). It's a fairly decent guide. 0 of 0 people found the following review helpful. You'll need it!

Very helpful. All all-time great game, but pretty difficult without a little help sometimes. This guide is first rate!

Walkthrough: Extensive step-by-step walkthrough for all 12 levels.
Maps: Detailed maps pinpointing points of interest and equipment pickups.
Tactics: Learn to master your alternate powers like Kinesis and Stasis, as well as the strengths and weaknesses of all enemies and weapons and how you can exploit them.
Achievements and Trophies: Complete list of all Xbox 360 Achievements and PlayStation 3 Trophies!
