DEADLY DEFENCE covers every important aspect in bridge to make good bridge players into excellent defenders. It deals with opening leads (how to convey maximum information), defensive play when playing second hand, third

hand and also when you are first to play to a trick, how to use signals more effectively and how to think on defence like an expert.

DEADLY DEFENCE is the most interesting book on defence that I have ever read. Julian Klukowski (World Seniors Championship 2006 gold medallist) This superb book goes further than any bridge book you will find in its breadth and scope. DEADLY DEFENCE is for experts, but it is so clear and easy to follow that players of all levels will enjoy and benefit from the book. AUSTRALIAN BRIDGE FEDERATION The language flows easily and is in truth the best book on defence that I have read. If only all my partners had read it. IRISH BRIDGE JOURNAL About the Author Wladyslaw Izdebski Wladyslaw Izdebski is a certified bridge teacher and the author of twenty books and hundreds of articles on bridge theory. Roman Krzemien Roman Krzemien is a certified bridge teacher, author of four bridge books, and has trained and captained the Polish National Women's Team for many years. Ron Klinger Andrew Kambites is a bridge grand master, a leading bridge teacher and author and lives in Stroud, Gloucestershire. He has written over 20 bridge books, some as sole author and others in partnership with Ron Klinger and Hugh Kelsey. Andrew has written bridge articles for the EBU magazine, English Bridge, for 25 years. Andrew has been directing and running seminars for First for Bridge since retiring as a maths teacher in 1997.
