By adelina Great book, love the children's letters to Santa and how they evolve over time. 2 of 2 people found the following review helpful. Dear Santa children's letters to Santa By Donna M Absolutely loved this book. A real eye opener into the differences between the children of yesteryear and today's kids!

This first-ever collection of children's letters to Santa written between 1870 and 1920 presents more than 100 charming missives, each one yet more endearing. Along with its vintage charm, timeless sentiments, and non-denominational perspective, this heartwarming book is filled with historical discoveries that will delight everyone who loves this holiday ritual. Dear Santa is a celebration of one of Christmas's most enduring traditions, and a tribute to the millions of households that keep it alive.
