Aside from the amazing artwork this book features it also showcases some of English's quotes. I found his quotes very deep and inspiring even though they all had to do with death. English is an artistic genius and i will treasure this book forever.0 of 0 people found the following review helpful. Beautiful, funny and grotesque great eye candy.By FoxyBeautiful, funny and grotesque.This book is great eye candy. Ron's works has depth that keeps me staring for hours. A great starting point for those who have yet to be seduced by his work. It enjoys a special place on my shelf.

The latest work from one of America's most prolific and recognizable artists
