Harvey Estes : Decaf Coffee Shop Crosswords before purchasing it in order to gage whether or not it would be worth my time, and all praised Decaf Coffee Shop Crosswords:

2 of 2 people found the following review helpful. Have a cup of Decaf and a good puzzleBy Gina C. MossThis book is great fun. Both my father and I have one and we do the puzzles together over the phone every day. Good clever themes and clues. Some books have been too frustrating but NOT this one. Though both of us are experience puzzlers, it's nice to get through a puzzle without a lot of stress or cheating. I do recommend this to the average to experienced puzzler. .0 of 0 people found the following review helpful. AwesomeBy Christine A. ToalAwesome0 of 0 people found the following review helpful. ... have a problem finding crossword puzzle books that I like. This one was perfect for meBy Barbara B.I have a problem finding crossword puzzle books that I like. This one was perfect for me.
