The only thing is that the rules could have been in larger print. That's the only complaint I have but we're able to copy it larger. 1 of 1 people found the following review helpful. Be the first to discard all of your cards and win the round, but watch out! A "Deer in the Headlights" roll will stall your progress. Roll a "Car" or "Running Deer" and dump cards on your opponents. Easy to learn and play for the entire family.
