Eddie Kantar : Defensive Tips for Bad Card Holders before purchasing it in order to gauge whether or not it would be worth my time, and all praised Defensive Tips for Bad Card Holders:

5 of 5 people found the following review helpful. 576 Is a Big Number By JJEnigma The tips are certainly good, but 576 is a lot to remember. This is not an easy read, but a book to read over and over as you gain experience. 0 of 0 people found the following review helpful. Best Book on Defense By William L Kutscher This book is my "bible"

when it comes to bridge defense. I owned the first edition of this book and wore it out by constantly reviewing it. When I saw the book had a new, revised edition, I purchased two of them: one for me and one for my favorite partner. If you're not used to Eddie Kantar's work, you are in for a real treat. 2 of 2 people found the following review helpful. A book to read for all aspiring bridge players. By Barbara Conquest I found this book helpful in learning defensive bridge play. Lessons can be learned away from the bridge table and from an expert like Eddie Kantar.

Second edition, revised and updated. Twenty years ago, Kantar set about distilling his bridge wisdom into a trilogy of books for the intermediate player, one each on Bidding, Play and Defense. Each consisted of several hundred short Tips, and the author believes that any reader who absorbs even a fraction of them will improve his or her game by at least 25%. The Tips in this book have been completely revised and updated by the author in the light of modern bidding, and a number of new tips have been added. Eddie Kantar (Santa Monica, CA) is one of the most popular and prolific bridge writers in the world. A winner of two World Championships, and a member of the Bridge Hall of Fame, his many books include Modern Bridge Defense, Advanced Bridge Defense, the hilarious Kantar on Kontract, and of course, Roman Keycard Blackwood. His work appears regularly in many bridge magazines around the world. "There is abundant new material in this second edition. I can't think of any basic defensive topic that is not covered. It is an ideal primer: complete, succinct, entertaining and witty." - Bruce Altshuler, The Bridge World

About the Author Eddie Kantar is one of the world's best-known and best-loved bridge writers. He is a World and US champion, and has been inducted into the ACBL Bridge Hall of Fame.
