Eddie Kantar : Defensive Tips: Over 500 Tips to Improve Your Defensive Play before purchasing it in order to gauge whether or not it would be worth my time, and all praised Defensive Tips: Over 500 Tips to Improve Your Defensive Play:

0 of 0 people found the following review helpful. Extremely Dense By Jeff Yutzler There is so much packed into this book that it is difficult to read. You have to dedicate a lot of time. Read Kantar for the Defense first. It is much more palatable. 0 of 0 people found the following review helpful. Excellent Book By Walter J. Bochenek I like this book so much that I bought a second copy for a bridge partner. I think Kantar is the best bridge author, because he explains things well and is very thorough. I recommend this book for just about anybody other than the top 5% of the world's bridge players (who might already know all this). 0 of 6 people found the following review helpful. Defensive Tip for Bad Card Holders By Rose Mary Dunbar The book is for bridge players. I have not read the book. It arrived promptly and is in good shape.

You will learn when to cover an honor, how to take extra tricks in the trump suit and tips for avoiding an end play.
