Demosthenes : Demosthenes: De Corona (Greek Texts) before purchasing it in order to gage whether or not it would be worth my time, and all praised Demosthenes: De Corona (Greek Texts):

0 of 2 people found the following review helpful. Really, Demosthenes, we were expecting something new...By everythingispermittedThe minute I saw Demosthenes on the cover, I knew exactly what I was getting. This product was so predictable and one-dimensional. Just another classic tale of polemical abuse.

This edition of the orator Demosthenes' speech On the Crown includes introduction, the Greek text, commentary and

useful essays on such topics as the constitution of the Amphictyonic council and the manuscript tradition.

About the AuthorThe late William Watson Goodwin was Professor of Greek, Harvard University.
