Fantasy Flight Games : Descent: Sea of Blood Miniature - Darkwind (Descent: Journeys in the Dark) before purchasing it in order to gage whether or not it would be worth my time, and all praised Descent: Sea of Blood Miniature - Darkwind (Descent: Journeys in the Dark):

Blocking the sun with a massive wingspan Darkwind soars the skies about Torue Albes serving as the Master of the Hunt?s eyes. He watches and waits his shrill cries guiding his master to his latest prey... and when the moment is right he strikes knocking unwary sailors into the perilous water.
