I like strategy and tactics. So, for me, this game was a fantastic game to play through. As the description of the game itself boasts - there are at least three different ways to play through each situation you find yourself in and you can mix and match play styles in the midst of each circumstance. And, I do realize that this game is not the first game in the series, but since I am mostly a console gamer, I hadn't played the other games. And even though I came into this series at what is presumably the end of it, I still enjoyed the story. If you're looking for a mental challenge, stunning visuals, an intriguing storyline, and fun battle mechanics - then definitely buy this game. 0 of 0 people found the following review helpful. Learning curve can be painful if you're seventy By Deskspud Learning curve can be painful if you're seventy. Side quests sometimes lead nowhere; However the Meticulous detail of some of the set elements can be just astonishing. As a fiction it has clear characterization, good, strong language, a compelling narrative and elaborately artistic spectacle lacking perhaps, as open ended games do, some details to fully satisfy internal coherence. Square Enix has rendered some of the most

memorable software in the history of their genres; this will likely join their ranks. 0 of 0 people found the following review helpful. An excellent and thorough guide. By Desert Tortoise This is the most thorough and comprehensive game guide that I have ever purchased. It covers all aspects of the game very well, including three alternative approaches to playing and how they would affect your choices of equipment and augmentations. I wish all guides were this good.

AUGMENT YOUR EXPERIENCE Choice is everything in Deus Ex: Human Revolution. Choosing your own approach is at the heart of the game, and the official guide reflects this in every way. Multiple route walkthroughs are provided for each and every section of the game, so wherever you are you'll be able to see all of the possible approaches and their rewards and consequences. See what the game truly has to offer and get the complete Deus Ex: Human Revolution experience.
Multi-route Walkthrough The walkthrough features a unique multi-route structure. Whether you play stealthily, hack your way through, or simply shooting everyone down, there's a route to follow that suits your playstyle.
Augmentations Exposed Understanding and combining the Augmentations is where the real fun lies in Deus Ex. The dedicated Augmentation chapter covers each Augmentation in exhaustive detail.
Quick-look Item Maps For each section in the game we provide highly detailed maps. The Optional Exploration sections of the guide ensure you'll never miss an item or secret.
Use of Weapons Learn everything there is to know about the game's arsenal of weapons, grenades and mines. A staggering amount of information is divulged about each one.
Side Quest Mastery Ensure that you don't miss a single Side Quest and experience the complete Deus Ex Human Revolution story. We provide a separate walkthrough for each Side Quest and all rewards are outlined.
Everything Uncovered Our comprehensive Completion Guide is designed with a single goal in mind: unlocking every single Achievement/Trophy in a single play through.
