Blue Star Press : Dia De Los Muertos: Day of the Dead and Sugar Skull Coloring Book, Celebration Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dia De Los Muertos: Day of the Dead and Sugar Skull Coloring Book, Celebration Edition:

Our favorite coloring book company. The Skimm Starkly traditional and ornately modern interpretations of intricate sugar skull, calavera and Mexican folk art designs. Dia de los Muertos contains mandalas, full color designs, colorable bookmarks, framable 5x7 cutouts, and a bevy of beautiful designs to honor our ancestors and celebrate life.

My wife has recently picked up coloring as a hobby / therapy. She loves sugar skulls, and she is not disappointed with this book at all! It is her favorite out of all the other coloring books I have purchased for her.
