**Blizzard Entertainment : Diablo III: Book of Tyrael** before purchasing it in order to gage whether or not it would be worth my time, and all praised Diablo III: Book of Tyrael:

0 of 0 people found the following review helpful. My only TRUE complaint is the binding sucks. The paper is glued in a bundle to ...By JM Gives some extra background info about the Diablo-verse, esp the events between D3 and the Reaper expansion. A quick overview of important world events and history, but I found it to be a bit dry. My only TRUE complaint is the binding sucks. The paper is glued in a bundle to the cover, which is... a very heavily plastic coated paper I am guessing... ??? IDK. Anyways, basically, it means the glue comes undone easily and by the time I was halfway through, the book part had come undone from the cover. The paper book part is still together fine, the cover and that part are just no longer together. Now, a pointer, as I also got the Book of Cain at the exact same time

(has same binding issue, btw). IF you can't decide on which to purchase, I recommend Cain's over this one. They both have almost the exact same info, with this one giving more insight into the events going on in heaven between D3 and Reaper. If you are a completionist, go for both, as there are a few tidbits in each that the other doesn't have but if I were to chose the better of the two, it is the other.0 of 0 people found the following review helpful. Great for game lore and story backgroundBy Book BGreat for game lore and story background. Very nice presentation and artistic layout. It's a pretty book that is tastefully done.0 of 0 people found the following review helpful. Hesitant at first. Glad I bought!By AlecI got this for my boyfriend for Christmas. I was a little hesitant at first since it got some pretty bad reviews for not being legible. We didn't have that issue. All of the text was able to be read! It's got a lot of awesome backstory and lore in it. I plan on getting The Book of Cain as well.

From Blizzard Entertainment, the makers of critically acclaimed games such as Warcraft, StarCraft, and Diablo comes this exciting companion edition to Diablo III: Book of Cain, giving fans an in-depth look into the mind of Tyrael, a key character of thOne of the most exciting and visceral action role-playing games in recent memory, Diablo has become a worldwide gaming phenomenon. Diablo III: Book of Tyrael takes fans even further into the universe with a detailed and beautifully crafted artifact that focuses on the renowned champion Tyrael. As a former archangel of the High Heavens, he ranks among the most important and influential characters in the Diablo franchise. Here, in this illustrated and comprehensive tome, he reveals never-before-known secrets about the history of the world, the dark threats that yet face mankind, and his decision to join the ranks of humanity as a mortal. Featuring stunning original art throughout, this beautifully illustrated follow-up to Diablo III: Book of Cain will also feature letters from Leah and additional fragments of Cains writings, all curated by Tyrael as he weaves together a complex and fascinating story for the members of the Horadrim. Also features a fully removable illustration of the Leoric family and other influential characters from Old Tristram; including Deckard Cain, Prince Albrecht, Archbishop Lazarus, King Leoric, Prince Aidan, Queen Asylla, Leah, and Adria. This reversible image would demonstrate their normal appearances on one side, along with a representation of their dark fates on the other.

phenomenal in visual appearance Almost every page in the book contains at least one piece of artwork and a piece of dedicated scripture, all of which is printed perfectly on the highest quality of paper. Inside the Box s While this insight into the backstory of Diablo III is very welcome, at least half the draw of the Book of Cain was in its gorgeous illustrations, the sort of images you only find in concept artwork, except more fully fleshed out and featuring a greater degree of detail. The Book of Tyrael continues this tradition, and is described as featuring stunning original art throughout. The Escapist
