First This Creeper Named Rob Crop Loses his family to lots of blazes. Though buy the book or use kindle unlimited to get it for free.P.S. This is a total Winner

Rob, the Creeper, one day finds himself separated from his group of friends and is forced to wander all alone in Minecraft. Because he is a Creeper, Rob has no idea how to make friends and spends his days and nights, looking at what other Minecraft creatures do.Through his eyes, we will see how a Player builds his first house and how the Zombies manage to burn it to the ground (they attack the house, and one of the Zombies catches fire and then stumbles into the house). Then he will wander into a desert castle, where three Witches are doing some weird kind of spell, which is capable of changing ones appearance. Rob likes the idea of becoming someone else and steals some of the potions...The perfect gift for any Minecraft lover.
