tale told from this "wimpy villager" point of view. The story focuses on the librarian's perspective in the town, and how the town changes as a new visitor comes to town. The new visitor is mysterious, and no one knows what to make of him. Strange things happen, and the librarian is trusted to research the mysterious visitor through all the books at the library. Would be a really great read for anyone who likes Minecraft. Adults would enjoy it, and it is simply written enough that younger kids who are into Minecraft would be able to read it themselves, or get a kick out of having it read to them. Could be a great bedtime story for the youngest ones into Minecraft, or a great family story time tradition. 0 of 0 people found the following review helpful. They are completely obsessed with Minecraft and I thought this would be a fun way to learn some things about the game! They thought it was hilarious and we are going to start book 2 tomorrow night! Man, I am super duper excited to read to read the next book-diary of a wimpy Villager horsing around! I highly recommend this book for Minecraft lovers. 0 of 0 people found the following review helpful. Interesting and unique By Maye D. I found this book interesting and unique because it is written by a member of Minecraft. This characters diary is written with much wit that any Minecraft aficionado would take a liking with this book. Read this book with your kids and have a bonding moment with them.

Uncover the hidden secrets of the Village The Village has never been quite safe. Zombies, Creepers, Witches, Skeletons, and tons of other little bad guys are always crawling around. But lately, things have gotten worse. Much worse... This story follows the tale of a young villager, who is struggling to handle all of the different things that have been going on lately within the Village. This is the first book of the Unofficial Minecraft Diary Series, by Kwick Reeds. Stay tuned for his upcoming books! Disclaimer: This book is not official.
