Join me in my adventure as a Minecraft kitten Hey friend, its Jack again, and were finally in the village. I know well escape from this human girl, and well see everything that we were meant to. I hate that well have to go home soon, and I hate that humans cant seem to understand us. Its just one set back, as Shoal seems to remind me. Were going back to the palace. I have a nagging feeling that wont leave me alone, but were sure to find out what it is soon enough. Grab your copy NOW!
