Shane Windham : Diecraft: a Minecraft inspired role-playing dice game before purchasing it in order to gage whether or not it would be worth my time, and all praised Diecraft: a Minecraft inspired role-playing dice game:

From the mind which brought you Table Games, Humans Against Everything, Pinions, and many more timeless gaming experiences comes Diecraft; a labor of love for fans of both Minecraft and the role-playing genre in general. With a lower learning curve and clearer objectives than the majority of RPG's currently on the market, Diecraft sets

out to give users an addictive experience that can be enjoyed by almost anyone.

About the AuthorShane Windham is the author of more than 30 books, an independent recording artist, and designer of numerous unique table games. He lives in northeast Texas, and sustains a strong presence on social internet outlets.
