**From Assouline :** **Dinner With Jackson Pollock: Recipes, Art Nature (Connoisseur)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dinner With Jackson Pollock: Recipes, Art Nature (Connoisseur):

6 of 6 people found the following review helpful. Beautiful Design, Unique Recipes By Daniel This makes for a terrific gift for any Art/Cook Combo Lover. My girlfriend loved this because it's unlike most other cook books. The design and artwork inside is quite attractive to look at. We are both art lovers and enjoy cooking at home so it really was a cool book to explore. Honestly, in today's age where anyone can find any recipe online, it still is nice to have something like this on your shelf of coffee table. It's much more interesting than a typical recipe book. And the recipes inside are definitely unique and varied. Can't wait to start cooking. 9 of 9 people found the following review helpful. A good read and glad to have it in my collection By David R. Bender The introductory pages were very informative and interesting. I had not known that Pollock was skilled in the kitchen as well as a painter. Found few of the recipes mouthwatering but those of his mother's reminded me of what I had grown up eating. A good read and glad to have it

in my collection. 2 of 2 people found the following review helpful. Dinner with Jackson Pollock: Count Me In! By Linguino Such a gem--You will be transported back to Pollock's era. Have read bios on his life, huge fan, and feel that this book is such an excellent idea! He was into gardening, baking his famous apple pie, and when him and Lee moved to Springs, everything blossomed. This is a great find for Pollock fans. Basic recipes, and many snippets describing their day-to-day life. Love the simplicity, i.e. basic mac and cheese. Wish I lived in that era--much simpler and real.

Jackson Pollock the artist needs no introduction but perhaps lesser known is Jackson Pollock the gardener, baker, and dinner-party host. From starters and entrees to side dishes, breads, and desserts, Dinner with Jackson Pollock features more than fifty recipes collected from handwritten pages scrawled by Jackson; his wife, artist Lee Krasner; his mother, Stella; or traded among their many friends in the town of Springs on Long Island, interspersed with Jackson's masterworks, still lifes of the Pollock-Krasner home, and beautiful photographs of each delectable recipe, plus delightful tales from Jackson and Lee's family and local friends, for a truly unique and insightful portrait of a great American artist.

About the Author Australian-born Robyn Lea moved to Milan, Italy, in her late teenage years to work as a photographer's assistant. Over the last two decades, Lea has cultivated an extraordinary career as an internationally renowned photographer, TV commercial director, and writer. She has worked around the globe for clients such as Peroni, Kodak, Time, Vogue, and Harper's Bazaar, and her work spans the worlds of art, fashion, food, travel, design, and portraiture. Lea also has an extensive exhibition history, with ten solo shows and many group shows worldwide. Today she lives with her family in New York, where she continues writing, photography, and directing film and TV commercials.
