**Jen Darcy : Disney Villains: Delightfully Evil: The Creation The Inspiration The Fascination (Disney Editions Deluxe)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Disney Villains: Delightfully Evil: The Creation The Inspiration The Fascination (Disney Editions Deluxe):

1 of 1 people found the following review helpful. Villains and their creatorsBy DahmiaThis was a gift to my nephew and his wife - they loved it and I'll probably have to order another one for myself.27 of 27 people found the following

review helpful. MisleadingBy Kevin StewartAlthough this book is beautifully designed and features some great pics, I expected more text on the "creation, inspiration, and fascination." In fact, this book includes very little text. AND half of it is on Pixar villains. Nothing on the book cover or listing indicated this. I was very disappointed by the space wasted on Pixar. No comparison to the Disney villains. If you want the definitive book on Disney Villains, find a copy of "The Disney Villain" by Hyperion books from 1993. GORGEOUS and featuring essays on each villain.0 of 0 people found the following review helpful. Five StarsBy CustomerProduct excellent delivered quickly.

Disney Villains: Delightfully Evil is a comprehensive catalog showcasing cruel-intentioned characters from the past eight decades of Disney and Pixar films. Each villain is profiled in detail, including information on the animators, directors, and voice actors who brought the evildoers to life. Fresh, insightful text explores the villains origins, roles within their stories, and influences on pop-culture and is accompanied by cauldrons of illustrations, including rare concept art, story sketches, and archival photographs depicting the development of fandom s favorite baddies. This book is a bubbling witch s brew made with a dash of Gaston, a teaspoon of Sid Phillips, a sprinkling of Shere Khan, and a touch of Lady Tremaine. Won t you have a taste?

About the AuthorJen Darcy is the coauthor of two Disney Editions books, Disney in Details: A Scavenger Hunt Through the Walt Disney World Resort and Let The Memories Begin!: Impressions of the Walt Disney World Resort. She has been on staff at several Disney-owned magazines: FamilyFun, Disney Magazine, Disney Adventures, and Wondertime. After receiving her master's degree in library science, she became a high school librarian and now manages copyright permissions and is the record librarian at an education publishing company. Jen's favorite villains are Ursula from The Little Mermaid and Shere Khan from The Jungle Book, which she enjoys watching at her western Massachusetts home with her cat, Bagheera.
