DIY Board Games allows kids to create beautiful games for the whole family to play. With five games in one: snakes and ladders (like chutes and ladders but with snakes!), ludo (also known as Parcheesi), checkers, backgammon, and the great game of the goose, it is jam-packed with creative activities and will keep children occupied for hours on end. The box contains boards and counters to color in, pieces to assemble, wooden dice, and stickers galore. It also includes a booklet with the rules, containing some handy hints on how best to color and customize each game.

"Make your own fun." Sunday Express "This magic box designed by Inca Starzinsky contains everything you need to make, then play, five classic board games (even the rules, though possibly not the UN force needed to adjudicate). A fantastic, and absorbing, gift." - The Guardian About the Author A graduate of Central Saint Martins and the Royal College of Art, UK, Inca Starzinsky has worked as a graphic designer, printed textile designer, design director, and artist.
