Keith Topping : Do You Want to Know a Secret: A Fab Anthology of Beatles Facts before purchasing it in order to gauge whether or not it would be worth my time, and all praised Do You Want to Know a Secret: A Fab Anthology of Beatles Facts:

Innovative look at the Beatles' life and legacy that's packed with strange-but-true facts, from fab anecdotes on legendary radio and TV appearances, to what you can hear if you listen really closely to their often surreal lyrics. Accessible and original, Beatles urban myths are shattered and the world of John, Paul, George, Ringo - and their

music - is revealed in a fresh light.

About the Author Keith Topping is an author and journalist and has written books on music, TV and film, including several Virgin programme guides. He is a Beatles addict and 'was born to write this book'.
