Celebrating SensualityBy Renee StoutI leafed through this book today at Nordstroms Department Store and was so smitten with it that I couldn't wait to get home to my computer and order it from . First, let me say that the "cutsey" cover belies the smoldering sensuality that permeates the photos inside. Each photo is so beautiful that it transcends mere fashion photography. Even the little old Sicilian ladies project a sexiness born of wisdom. This tiny book proves that fashion, more than anything, is about attitude.0 of 0 people found the following review helpful. Since the opening of their studio in 1982, the partnership of Domenico Dolce and Stefano Gabbana has come to symbolize the new generation of Italian fashion design.
