Prima Games : DOOM: Prima Collector's Edition Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised DOOM: Prima Collector's Edition Guide:

15 of 15 people found the following review helpful. it's not like you will be using this 2 years from now By Anthony 55I don't know what all these people are crying about, "the pages are too flimsy" do not let them discourage you from

buying this guide, very informative. I did not have a problem with the pages being "cheap" material, it's not like you will be using this 2 years from now! It is a guide that will get you all the secrets of Doom and help with any levels you may be stuck on. Good day! 14 of 15 people found the following review helpful. Meticulously detailed and thorough guide
By Christine
The Doom Collector's Edition Guide is extremely detailed. It's almost meticulous in how it describes secrets, enemy encounters and boss fights. I was impressed by how it covered the immense amount of content Doom has to offer. The book itself feels high quality. The dust jacket is nice and the cover feels sturdy. My only gripe with this book, however, is the thickness of the pages. The pages feel pretty thin and they felt like they could tear easily. Other than that, this is a very well put together book. This is one of the best game guides I've purchased. Very detailed and very helpful. Even if you've completed the game and found the secrets, this book is a must buy.
2 of 2 people found the following review helpful. Great Book For a Great classic
By Brian Propst
Great book for the remake of a great game and the price was great. Many times I see a game I like but just can't bring myself to purchase a new copy when it first hits the shelves. So I wait usually about six months to see if the price has come down, in this case that is exactly what I found. The book has extensive maps and although it doesn't have everything it has enough to help find most of the items required. I like getting the collectors edition simply because of the way I use the guides.

The DOOM Collector's Edition Guide includes...**EXCLUSIVE PREMIUM** - This Collector's Edition not only features exclusive artwork on the hardcover, but also a reversible dust jacket that can be framed and displayed!**CAMPAIGN WALKTHROUGH** - We guide you through every deadly encounter against Hell's demon hordes. Combine your arsenal of futuristic and iconic guns, upgrades, equipment, and an advanced melee system to defeat every foe!**DOMINATE MULTIPLAYER** - Expert tactics to help crush your opponents in DOOM's fast-paced, arena-style combat. Learn inside tips on the unique modes and playable demons.**NEAR LIMITLESS GAMEPLAY** - Complete coverage of DOOM SnapMap, a powerful, but easy-to-use game level editor that allows you to create your own levels or download new game experiences
DETAILED MAPS - Expertly navigate both the Single-player Campaign and Multiplayer with our high-quality maps. We reveal precise locations of all weapons, collectibles, secrets, pickups, critical choke points, and more.**FREE eGuide!** Use the enhanced eGuide for strategy on the go, all optimized for a second-screen experience. Includes access to interactive maps.
