**Prima Games : DOOM: Prima Official Guide (Prima Official Game Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised DOOM: Prima Official Guide (Prima Official Game Guide):

Ian Finn This book does the one thing you need a walkthrough guide to do - show you where the secrets are. You can look up the answers on YouTube or elsewhere on the web for free, of course, so you don't really NEED the book, but I find books like these to be good keepsakes for a video game experience I will spend 40+ hours of my life on. It's like when I was a kid and I would buy the souvenir programs at rock concerts (do they still even sell programs at rock concerts anymore?) and look at it years later with nostalgic fondness. 0 of 0 people found the following review helpful. Over Thought By Mervyn What part of "walk through" did someone miss. One heck of a lot of detail in this book. However, printing black letters on dark backgrounds does not make it very easy to read. There was no obvious "walk through" that I could find. Hey, if someone purchases a cheat book, they should be able to use it to cheat. Much effort went into this book, but it was greatly over-thought. 2 of 2 people found the following review helpful. Good maps By It Happens The book had good maps for the levels, with locations clearly indicated. Helpful if you've already made one pass, found what you could, and you want to get an idea of where they put the secrets. Content was slightly heavy on the multiplayer aspects I thought, which wasn't of much interest to me. However if you want a decent walkthrough, this will do it.

The DOOM Standard Edition Guide includes...**CAMPAIGN WALKTHROUGH** - We guide you through every deadly encounter against Hells demon hordes. Combine your arsenal of futuristic and iconic guns, upgrades, equipment, and an advanced melee system to defeat every foe!**DOMINATE MULTIPLAYER** - Expert tactics to help crush your opponents in DOOM's fast-paced, arena-style combat. Learn inside tips on the unique modes and playable demons.**NEAR LIMITLESS GAMEPLAY** - Complete coverage of DOOM SnapMap, a powerful, but easy-to-use game level editor that allows you to create your own levels or download new game experiences**DETAILED MAPS** - Expertly navigate both the Single-player Campaign and Multiplayer with our high-quality maps. We reveal precise locations of all weapons, collectibles, secrets, pickups, critical choke points, and more.**FREE eGuide!** Use the enhanced eGuide for strategy on the go, all optimized for a second-screen experience.
