David Bird, Reese Terence : Doubled And Venerable (Master Bridge Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Doubled And Venerable (Master Bridge Series):

DOUBLED AND VENERABLE is the third title in Terence Reese's and David Bird's collection of stories about the bridge-playing monks of St Titus whose exploits delight readers the world over. The huge success of these books lies

not only in their being extremely funny but also in their being instructional as they are crammed with gems of bridge bidding and play.

DOUBLED AND VENERABLE is a splendid buy to cheer these politically-saturated days. It is entertainment of the highest quality.
